Sanitary Engineer no: 2083 dated 10th ultimo,
reporting that the godidar of Belur is ^{4.67} not prepared to hand
over either of his tanks for the Nanjangud Town Water Supply
exclusively; and stating that, under the circumstances, the
construction of a storage Reservoir appears to be the only
feasible method of providing a reserve for the supply of
that town.

Has the honor to return the Supplemental estimate
of Rs 6,000/- received with his no: 795 dated 28th Mar
1898, for constructing a storage Reservoir, duly sanctioned
for Rs 6,000/-, and to request the Sanitary Engineer
will be good enough to obtain from the President of the
Municipality the usual agreement for the repayment
of moiety of cost, and forward the same at an early
date for transmission to the Comptroller of Mysore -

Sir

I have the honor to state that the Chief Engineer has sanctioned an estimate for Rs. 6,000 for the construction of a storage reservoir for the purpose of providing a reserve for the supply of the town of Nanjangud, as much difficulty is being felt in the hot season for want of water. The Municipal Board of Nanjangud has agreed, in their resolution of 1st October 1898, to repay the moiety of cost; and the Chief Engineer has addressed the office to forward the usual agreement for the repayment of the same. I request you will be good enough to obtain the order of Government on the subject and intimate the same at an early date.
